

Dear All

A very cold foggy Friday with the added excitement of a tractor cutting the hedge! All cones have now been removed and parking is back to normal. Our next exciting Friday is Christmas Jumper day on the 11<sup>th</sup> December in aid of Save the Children. Everyone is encouraged to wear a festive top and donate a £1 to the charity.

As we now know we will fall in to Tier 2 after the 2<sup>nd</sup> December and there are no plans to close schools and childcare settings early to allow families to visit elderly or vulnerable relatives more safely over Christmas. Therefore to confirm Nursery school will close on Friday 18<sup>th</sup> and Little Owls will close at 4pm on Christmas Eve. Please be aware that the **current rules on isolation remain in place** throughout and should we have a case in any 'bubble' all contacts have to isolate for 14 days which means they cannot leave their house.

Thank you for keeping us updated on absences and test results, please note that a negative test notification it states that you are able to return 'if you have not had a high temperature for 48 hours and feel well'.

Before 9am, after 4.30pm and over the weekends please contact us on 07795 33 619, WhatsApp or text is fine, or use the office@ email. This means we can act quickly if we need to.

If you have a child due to start school in September please remember to **apply before 15<sup>th</sup> January 2021**. I believe the Histon schools were due to add some information on their websites today about their provision etc.

HI Friends are organising a 'Santa's Christmas Eve Jingle' which we have shared on our HEYC Community Facebook page. They will be selling packs to make your own jingle bells for £2.50 and getting everyone to ring them at 6pm on Christmas Eve to help Santa fly his sleigh and spread some festive cheer across the villages. These will be **on sale from 3<sup>rd</sup> December**, please email [info@hifriends.org.uk](mailto:info@hifriends.org.uk) quoting your name and address. All money raised goes to HI Friends.

Remember next Friday 4<sup>th</sup> December there are no sessions for anyone as we have a whole Centre training day.

Please take care and follow the guidelines to help keep our HEYC community safe.

Karen
