

Dear All,

Lovely to see so many Christmas Jumpers today, thank you for all your donations for Save the Children. The children have loved wearing them.

Continuing the Christmas theme, a reminder that HI Friends are organising a 'Santa's Christmas Eve Jingle' they are selling packs to make your own jingle bells for £2.50 and getting everyone to ring them at 6pm on Christmas Eve to help Santa fly his sleigh and spread some festive cheer across the villages. These are **on sale now** please email info@hifriends.org.uk quoting your name and address. All money raised goes to HI Friends.

St Andrews Church are hosting a **Christingle Service** virtually this Christmas, please see attached information on how to join in and receive your Christingle kit (you will need to buy your own oranges.)

We have shared information on how to get in touch with us for contact tracing out of hours and over Christmas, please keep this in a safe place. During term time before 9am, after 4.30pm and over the weekends please contact us **on 07795 333 619**, WhatsApp or text is fine, or use the **office@ email**. This means we can act quickly if we need to but **you need to add the number to your contacts**. If you are not on WhatsApp please let us know as we will need to get the information to you separately.

If you have a child due to start school in September please remember to **apply before 15th January 2021**. There is a video on their website with information for new parents.

It has been announced that Maintained Nursery Schools will receive their supplementary funding for the academic year 2021/22, thank you for supporting us in getting our voice heard. As yet we do not know how this funding is going to be distributed but we survive another year!

Greenfinch Room and Community Room have allocated their keyworker phone calls this term. We will look at some Robin Room times for next week and Little Owls and Space Room for the New Year. It has been so nice being able to have an actual conversation about the children with you.

To confirm **Nursery School will close on Friday 18th** and **Little Owls will close at 4pm on Christmas Eve**. Please be aware that the **current rules on isolation remain in place** throughout and should we have a case in any 'bubble' all contacts will have to isolate.

Please take care and follow the guidelines to help keep our HEYC community safe.

Kind regards

Karen
