

Dear All,

I cannot actually believe that term finishes today and that this time next week we will be celebrating Christmas! We continue to be open until Christmas Eve for Little Owls as usual so not quite the holiday feeling for everyone yet.

Congratulations to Lorna and Chef Matt who welcomed baby Logan to their family on Wednesday. We have a couple more HEYC babies due shortly and we will share news when we do.

Thank you for all your lovely comments, cards and gifts. In these times particularly, to know that we are appreciated means so much. It has been a very strange and often stressful time for everyone and the team have adapted and risen to the challenge as always.

If your child is due to start school in September please remember to **apply for your place by the 15th January 2021**. The Infant school have a video for parents on their website sharing information about the schools. There are also photographs on there of the build.

We are responsible for contact tracing after closure so will be monitoring attendance as normal.

Please refer to the information we have previously sent and keep us informed as appropriate. I will be contactable on **07795 333 619** or the head@ and office@ emails and the Centre is open until 4pm on the 24th. **If you are not contactable via Whatsapp please let us know as this is the best way for us to let everyone know information quickly**. You will need to add our mobile number to your contacts to receive any broadcast messages from us.

We are aware of new COVID cases in Histon so please help to keep everyone safe by following the guidelines.

The information from the DfE yesterday was that some schools would be having a phase back in January. As far as I am aware, at this current time, we are opening as usual on 4th January. Should we be told to change we will let you know!

We wish you all a Merry Christmas and a Happy New Year.

Karen
